Paulina Markiefka

I am a facial manual therapist, masseuse and personal trainer.

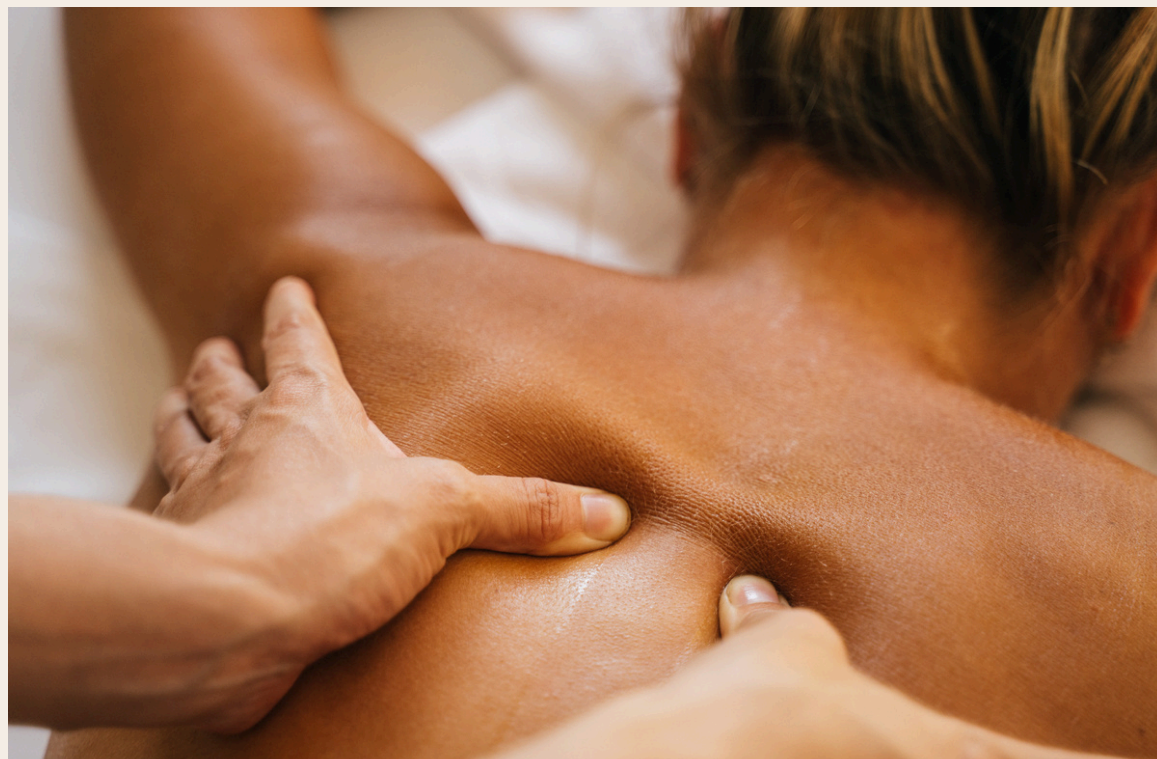

i specialize in facial massages and body massages.

In my work, I focus on a holistic approach and natural products

My mission is to help people feel better.

MY OFFER

FACIAL MASSAGE

Kobido massge

Kobido massage is a traditional Japanese facial massage technique focused on promoting youthful skin, relaxation, and a sense of well-being. It combines various hand techniques, including gentle strokes, rapid tapping, pinching, and kneading, to stimulate blood circulation, encourage lymphatic drainage, and relieve muscle tension in the face, neck, and shoulders.
